HIT ALUMNI
Pursuing Honors Degrees in
Computer Science

COMPUTER SCIENTIST

As a university alumnus, with a degree in Computer Science, I am a skilled computer scientist with a strong foundation in programming, algorithms, and software development methodologies. With proficiency in languages such as C++, Java, and Python, I have a proven track record of designing and implementing scalable and secure solutions. I bring a combination of critical thinking, problem-solving abilities, and expertise in data structures and database management systems to drive innovation in software development.

SKILLS AND COMPETENCES

I have extensive expertise in the following programming languages

- JavaScript
- PHP & WordPress
- HTML CSS
- React JS
- MERN STACK
